

"With a new website from under \$34 a week making the choice of which web design company to choose, just got easier."

Fox Digital Web Website Finance

IN PARTNERSHIP WITH

Fox Digital Web is a market leader in website design and management and has claimed an industry first.

Fox Digital Web have partnered with Morris Finance Ltd to offer a range of finance solutions for customers wanting easier, more affordable access to their product range.

"By offering an industry first product we are making it easier for our customers to enjoy the benefits of updating their website and we are giving them the opportunity to continually expand their business and the value they provide their existing clients"

Andy Fox, Managing Director – Fox Digital Web

In keeping with Fox Digital Webs ethos of providing choices, the customer can choose whichever products best suit them over a range of terms, the experienced staff at Morris Finance Ltd can tailor a solution to accommodate most budgets.

"When approached by Fox Digital Web with this concept, it was an easy decision for our business, it's a very large market that is ignored or frowned upon by many of the lenders. We specialize in catering to businesses and the needs of individuals to tailor solutions. The team are looking forward to working with the Fox Digital Web brand over the next twelve months."

Nathan Murray, Managing Director - Morris Finance Ltd

With a new website from under \$34.00 a week making the choice of which web design company to choose, just got easier.
